A screenshot of the Springer Link website interface. At the top, there is a search bar with a magnifying glass icon and a settings gear icon. Below the search bar, there are navigation links: Home, Books A-Z, Journals A-Z, Videos, and Librarians. The main content area is divided into two columns. The left column is titled "Browse by discipline" and lists various fields of study with expandable arrows: Biomedicine, Business and Management, Chemistry, Computer Science, Earth Sciences, Economics, Education, Engineering, Environment, Geography, History, Law, Life Sciences, Literature, Materials Science, Mathematics, Medicine & Public Health, Pharmacy, Philosophy, Physics, and Political Science and International Relations. The right column features a large heading: "Providing researchers with access to millions of scientific documents from journals, books, series, protocols, reference works and proceedings." Below this heading are two book covers: "Journal of Rational Mechanics and Analysis" and "Semi-Presidential Policy-Making in Europe". A purple banner below the covers reads "New books and journals are available every day." At the bottom of the right column, there is a section titled "Featured Journals" with four journal covers: "Journal of Optimization Theory and Applications", "Asian Journal of Civil Engineering", "Chemical Papers", and "Molecular Biotechnology".
